## **SIMPLY - WIPE, BUFF, RIDE!**

1. Lift re-sealable label, remove wipe, reseal.
2. Gently clean visor. Before surface dries, buff with a dry Cycle Wipe or soft cloth.
3. Re-fold wipe and use it to clean your lights, turn signals, and your bike.

**Note: A clean dry Cycle Wipe works great for buffing!**

#### **ABOUT CYCLE WIPES, LLC.**

Driven to provide a simple visor cleaning solution and eliminate carrying bulky, leaky bottles and sprays, Cycle Wipes was invented and founded by David Swezey, the GM of a powersports dealer in Seattle, WA.
